## Project Objectives

An intensive recruitment drive to sources, attract, and fill open, permanent care worker vacancies across South West London. The goal is to help care providers to reduce their reliance on expensive agency staff, and increase the quality and calibre of their new hires, through better recruitment support, increasing staff retention and so impacting upon quality.

## How does this benefit you?

Purpletribe will source, attract, and pre-screen candidates to match your open vacancies. These candidates will be provided to you free of charge, to interview and hire. All Indeed advertising and job board costs are included in the service and regardless of how many people you chose to hire, you won't pay a penny.

## Cost of service

Free of charge.

## Duration of the project

6-Weeks only.

## How to sign up for the project?

To join, we need the following details:

Your name  
Your Organisation  
Job Title

## About Purpletribe

Purpletribe is not a recruitment agency. Purpletribe provide specialist outsourced recruitment solutions to the adult social care sector, to help providers overcome their permanent care worker recruitment challenges by saving you time, money, and your reliance on using expensive agency staff. Purpletribe manage your talent pipeline and candidate sourcing channels such as Indeed and Facebook to ensure you attract and hire the best local talent.

Acting as an extension of your business, Purpletribe will qualify, pre-screen and co-ordinate all your candidate interviews, job offers, and DBS and reference checks to ensure you hire the right people with the right values for your staffing needs.
